*"I was raised singing the beautiful and little-known Yiddish songs from the Workman's Circle Haggadah: Poignant, poetic, often haunting melodies and words celebrating liberation over tyranny and passion for life that has sustained a people for generations. As a song carrier in my family tradition I'm honored to bring this music to the Port Townsend community."*

—Judith-Kate Friedman

With special guests:

Daniel Deardorff • Joe Breskin • Aimee Kelly Spencer  
Alexa Sunshine Rose • Laurence Cole

Your support will help Songwriting Works on the Olympic Peninsula match a \$25,000 grant from the National Endowment for the Arts to bring its internationally acclaimed community songwriting programs to elders, families, and care providers in Jefferson and Clallam Counties.
